Minimum 18 years of age

## Assessments

The Representative Level 2 Course encompasses a number of theoretical and practical assessment tasks. These are spread out over the 2018'19 cricket season finishing in December 2019.

Assessments will be completed prior to, during and after the residential component. Exact details will be provided to successful applicants.

## Selection Criteria

The Cricket Australia Representative Level 2 Coaching Course is designed for Coaches who are coaching within the player pathway. That is, coaches involved in CNSW State Cricket programs, SCA grade clubs, district/squad programs or junior/school representative teams.

For quality control reasons, each course is restricted to 24 candidates.

CNSW employs the following criteria in selecting candidates for the courses:

1. Coaches involved in CNSW/ CACT State Cricket Programs
2. Coaches to be trained for the purpose of delivering Level One Courses for CNSW/ CACT – max four per course
3. Coaches involved at District/Grade Club Level - maximum two per club.
4. Coaches involved coaching at Junior Representative level both school and districts – maximum two per school/district (priority given to coaches working in older age groups)

NB A second coach from a District/Grade Club would only be considered where vacancies exist in a course after exhausting the option of one coach per school/district in point 4.

5. Coaches involved at Sub-district level – maximum one per club
6. Junior Club or school coaches (priority given to coaches working in older age groups) – maximum two per area

## Accreditation

Each successful candidate will be accredited by the Australian Coaching Council Scheme and Cricket Australia as a Representative Level 2 Coach.
